Dry Contact Motor	RTS*	With RTS Motor	Roller   Roman	DC

- Note: 1. On the basis of your requirement of type of motor (e.g. Silent, Wire Free etc.), lifting capacity of motor is suggested as per size of the blind.  
 2. If there is no provision of power supply at blind installation site, then you can go for Wire Free motor option, in which motor is operated through rechargeable batteries.  
 3. Dry Contact Motor can work even in low voltage with AC Adapter.

## ◆ Automation

Automation in blinds gives your home a touch of originality, improves function and adds value. It makes complete sense for those hard to reach places. We offer a blend of design, technology and innovation that is easy for everybody to use and is amazingly versatile. You can also choose from wide range of portable controllers and technologies like WT / RTS and Wire Free to satisfy all your automation needs. The Remote Control allows you to preset and easily operate a group of up to sixteen different window blinds, individually or together with just a press of a button. Remote Controls are available in different colours and can also be affixed to a wall.

## Explanation of Symbols and Technical Terms

PVC

PVC produces a stiff fabric with a glossy and a silky shine.

PVC FREE

PVC Free Fabric is eco-friendly material that provides heat and glare control and helps conserve energy.

LEAD FREE

The Lead-free stamp marks confirmation of commitment to remain environmentally responsible.

Fiber glass

The advantage of Fibreglass is that it could easily be moulded into any shape, has mechanical strength that is so strong and stiff for its weight that it can out-perform most of the other materials.

Fire Retardant

Fire Retardant fabrics are textiles that are naturally more resistant to fire than other fabrics due to chemical treatment or manufactured fireproof fibers.

GREENGUARD Certification helps buyers identify materials that have low chemical emissions, improving the quality of the air in which the products are used.

Anti Bacterial

Antibacterial fabrics promise freshness, stain protection and an extended product life.
