## CREATING A REAL STYLE STATEMENT WITH STUNNING LIGHT CONTROL

Blinds By Fixit Design are an innovative window furnishing that feature two layers of translucent and opaque horizontal striped fabric that combine to create a striking modern feel. Our collection offers you the perfect range of fabrics and colours to help you to create your statement look.

An amazingly stylish and simple way to control light and privacy at any time of the day or night. Blinds By Fixit Design let you effortlessly slide two stylish fabrics past each other in an open, half open or completely closed position to create the perfect look for your window, your mood and your home.
